Ten Healed, One Thankful

Read **Luke 17:11-19**. Ten men had leprosy, a skin disease. They asked Jesus to heal them. Jesus told them that they would be healed when they showed themselves to the priests. They did what He said and they were healed—every one of them! But, only one returned to thank Jesus for healing him. Jesus wondered why the other nine never returned back to praise God. When miracles happen in your life, don't forget to give God thanks. He is worthy of your praise!
