2. The 80th General Convention in 2020 will be held in Baltimore, MD. Any interested party may attend the convention, and you are encouraged to do so. Convention Dates are June 30th thru July 9th.

The 236th Annual Convention will be held on one day, Saturday, November 21, 2020. The location will be St. Andrews School in Middletown. Bishop Brown wants to discuss changing all future conventions from January to November.

On a personal note, while the business sessions concern the most important items requiring action, it is the Worship Sessions that are the most uplifting, particularly the Holy Eucharist Service. We also enjoyed meeting with and socializing with the other attendees.

Anne and I have greatly enjoyed being your voting delegates for the past 5 years. During this time period we participated in the election of Bishop Brown, a situation which on the average occurs once every 20 years or so. We thank you for the opportunity to serve as delegates. However, due to physical limitations that have crept up on me the last two years we request that you choose new delegates for the next convention

Respectfully Submitted,
Yours in Christ

Raymond C. Jung
